

**Jim Carroll, Futurist**  
**Business Trends, Innovation & Leadership Expert**

***“I align you to the future by providing highly customized trends & industry research, delivered in a compelling motivational style”***

**Futurist Jim Carroll**

Jim Carroll is one of the world’s leading futurist, trends and innovation experts, with a massive global Blue Chip client list. Over the last 25 years, Jim has shared his insight with more than 2 million people in attendance at his events. He is recognized within the global speaking industry for his highly customized, heavily researched, industry specific keynotes, leadership presentations and small, intimate senior leadership meetings.

Jim’s global client list is extensive and covers virtually every industry sector, including the World Bank, Volvo, NASA, the PGA of America, the Walt Disney Organization, the World Government Summit in Dubai, the Swiss Innovation Forum, the Wall Street Journal, National Australia Bank, WorldSkills, Microsoft, Johnson & Johnson, DuPont, The GAP, the US Air Force Research Laboratory, Godiva, SAP, Pfizer, Mercedes Benz, & hundreds more.

This client list gives him a front row seat to the high velocity change that is occurring as disruption comes to take hold of every industry and every organization. With that insight, and the customized research that he undertakes for every engagement, he helps to transform growth-oriented organizations into high-velocity innovation heroes!

Jim provides high energy keynotes for audiences of 5,000, or intimate, detailed customized strategic planning sessions for CEO / board / senior management meetings. He has researched key innovation success factors for dozens of associations, professions, companies, individuals, and industries including life sciences, health care, insurance, automotive, manufacturing, agriculture, technology, education, government, consumer products, retail, banking and countless others.

He is recognized worldwide as a “thought leader” and authority on: global trends; rapid business model change and industry transformation; business model disruption and the acceleration of market change; global economic trends; and the necessity for fast paced innovation. He is an authority recognized for his deep insight into the cutting edge trends of our time including autonomous vehicle technology, 3D printing, virtual reality, alternative energy generation and storage technologies, the transition to electric battery vehicle technology, genomic medicine, CRISPR and healthcare virtualization, advanced robotics and artificial intelligence, blockchain and virtual cash, machine learning and robotics, crowd-thinking and next generation R&D.

Jim’s insight has been covered in countless global publications, including the UK *Telegraph*, Dubai’s *Capital Magazine*, South Africa’s *The Star*, the *BBC*, *Reuters* and *AP News*, among hundreds more. *BusinessWeek* named Jim Carroll as one of four leading sources for insight on innovation and creativity. He was also a featured expert on the prime time *CNBC* series, *The Business of Innovation*.

Jim Carroll is an author, with numerous books including: *Think Big, Start Small, Scale Fast*; *Surviving the Information Age*; *The Future Belongs To Those Who Are Fast*; *Ready, Set, Done*; and *What I Learned From Frogs in Texas: Saving Your Skin with Forward Thinking Innovation*.
